Dear Local Business:

At Rocklin Academy Turnstone, a public charter school, we change our students' lives for the better each and every day with the help of our families, teachers, administrators and community members.

As our state continues to struggle financially resulting in numerous cuts to public education, we are looking to local businesses to partner with our school and help us raise funds to support our students. Our goals include supplying additional technology to the classrooms, as well as assisting our teachers with funds for curricular and classroom supplies.

Your partnership with Rocklin Academy will help continue our accomplishments:

- We believe that all students can achieve at high levels, and in the 2011-12 school year, we were proud to have the highest Academic Performance Index (API) of all schools in four counties. We are setting higher standards with our record breaking scores.
- In 2012, Rocklin Academy was named an Honor Roll School for the 8th year in a row, by the California Business for Education Excellence (CBEE).
- Our school has earned several "Best of the Best" awards by the Placer Herald in recent years. Rocklin Academy Turnstone was voted Best Elementary School and our Principal was awarded Best Principal the last three years in a row, and teachers from our faculty have taken the honor of Best Teacher four years in a row! In addition, our Middle School/ High School, Western Sierra Collegiate Academy won "Best of the Best" in its category.

In exchange for your support of our school, you will receive recognition and exposure to our 372 students and their families. (Please see the attached form for our sponsorship opportunities.) We need your help to continue challenging the leaders of tomorrow. Please pledge your support by becoming one of our sponsors.

Thank you for your time and consideration.

Stephanie Kinnan
PSP President, Turnstone Campus
