STUDENT ABSENCES

If your child is absent, please call the absence line by 8:30am at (916) 632-6580 the day your child is absent. If you know your child will be out for more than one day (i.e., due to fever, flu diagnosis, travel, etc.), please state how many days you expect them to be absent.

Please note per the Rocklin Academy Handbook:

- Children must be fever free for 24 hours before returning to school (fever is defined as 100° F or higher);
- Children awaiting results from a throat culture must remain at home until a negative result is known;
- Children with a positive strep culture must be treated with prescribed antibiotics for 24 hours before returning to school;
- Children that have been vomiting or have had diarrhea must remain home until the vomiting or diarrhea has stopped for 24 hours.

We ask that you partner with us by being vigilant in watching your child for any flu-like symptoms. **Please do not send your child to school if he/she is running a fever or has any flu-like symptoms.** This is for the safety of our students. We appreciate your help and thank you for helping keep all Rocklin Academy students healthy!

PSP NEWS AND EVENTS

This year PSP will have a **reward** at the end of the school year for every class that has at least one parent representative at every meeting! PSP room parents count towards your representative but please support them and see if you can help! PSP room moms may ask that each parent in the class take a turn at attending meetings and reporting back to the class to keep everyone involved and informed. We look forward to a great year working with each and every one of you!

Board members are excluded from being counted as class reps. Please come and represent your child's class! Don't forget that attending a PSP meeting counts towards your Volunteer hours! Be sure to bring your PSP membership cards to earn double hours! See you soon! RA Turnstone PSP
